Make a robot : <https://www.tate.org.uk/kids/make/sculpture/make-robot>

Make a play dough sculpture : <https://www.tate.org.uk/kids/make/sculpture/make-play-dough-sculpture>

Do a performance!

Perhaps you could read a poem, put on a puppet show, act out a short play or perform a dance. Tell us what you did! If you can, ask a family member to make a video of your performance to upload to OSM.

Try a craft!

Perhaps you could make a card, a seasonal decoration, try some glass painting or even plate painting! Be sure to ask a family member for some help with your chosen craft activity. Take a photo of what you've made and ask a family member to upload it to OSM.

Construct something!

You could make something that has moving parts, using recycled materials, or use Lego or Meccano to build something, or even make something from clay or plasticine. Take a photo of what you've made and ask a family member to upload it to OSM.

Use your imagination!

You could draw a picture or make a collage of what the world might look like in 100 years, or create a cartoon character and write a short comic strip telling a simple story, or create a superhero and tell us what superpowers they have.

A large, empty rectangular box with a thin black border, intended for a student to draw a picture, make a collage, create a cartoon character, or write a short comic strip as part of a creative challenge.

Once you have completed your challenge, upload this completed form to Online Scout Manager under 'Badges' and click the 'Creative Activity' Badge. Then click 'Complete at Home' and submit your evidence.

Good Luck!
