How to complete your badge:

Complete all of the activities below!

Show that you know how to use and look after a digital camera or smartphone camera.

Ask a family member to record a video of you explaining how you use and look after your camera (or a camera phone). You should explain how to change the mode, the settings and the zoom. Explain how you transfer photos to another device – a computer, phone or tablet. If you don't want to make a video you can write your answers in the box below:

Take at least five photos of your local area that could be used on a tourist leaflet or website.

Upload your photos to Online Scout Manager to show your Leaders.

Take photos while you're on an outing, trip, camp or other event.

Choose your 10 best photos to make a scrapbook, photobook or poster. Take a photo of what you make to upload to Online Scout Manager.

Choose one of these activities to do:

- **Create two photos of the same thing, one in colour and one in black and white. Compare how the effects change the way the final picture looks.**

- **Make a short film on a subject of your choice.**
- **Using a series of photos, make a short animation sequence.**
- **Edit a photo using a smartphone or editing software. Explain what you have changed and why.**
