WEST DEVON - BADGES AT HOME : GLOBAL ISSUES ACTIVITY BADGE

Complete **THREE** of these activities:

- Spend three days living on food that costs no more than £2 a day.
- Visit a homeless shelter, foodbank or other social enterprise in your local community.
- Explore various media sources to find information about migration and immigration.
- Compare youth issues in the UK with the same issues in another country.
- Deliver a game or activity to others about a global issue that you feel passionate about.

Reflect on the three activities you have completed.

Spend three days living on food that costs no more than £2 a day. Share with others about how it went including a top tip for cooking meals with so little money.

Be sure to keep a record of what you spend your money on. You could discuss your experience during the weekly virtual Explorers meeting, write a blog or make a video diary.

Visit a homeless shelter, foodbank or other social enterprise in your local community and consider the challenges faced by homeless people and what factors lead to homelessness.

During lockdown you probably can't make these visits, but if you have already made such a visit recently then use that experience to talk about the challenges you witnessed. Describe your experience below:

Explore various media sources to find information about migration and immigration. Review what you find and discuss your thoughts and feelings about the information and how this issue is perceived at a local and global level with your Unit.

Make notes in the box below. You could discuss what you learn during the weekly virtual Explorers meeting, write an article or create a visual poster that explains the information and your thoughts and feelings about it.
