# WEST DEVON - BADGES AT HOME : CHIEF SCOUT'S PLATINUM AWARD

Be a member of Explorer Scouts for at least six months.

Complete six nights away as an Explorer Scout of which four must be camping.

Complete two activities from the International, Community and Values list.

Hold the Bronze Duke of Edinburgh Award, or complete the four Platinum Scout Challenges.

**How to complete your badge:**

Many of you will already have completed some aspects of your Chief Scout's Platinum Award – check Online Scout Manager first to see which parts of the award are outstanding.

While you are on lockdown you are still able to complete activities from the International, Community & Values (ICV) list, we just need to think outside the box! See below to find out how you can complete an activity in the coming weeks.

Work with the District Team to pull together the resources to help the younger sections to achieve an activity badge through Badges at Home.

Choose a set of badges from the list below and let Abi know that you'd like to put the Badges at Home sheets together for the younger sections. Click on each badge to see what the requirements are for them to achieve the badge.

The templates for the Badges at Home sheets will be sent to you, and then it's up to you to find some useful website links related to the badges, find a way for each part of the badge to be completed at home, and give some ideas or guidance to help them achieve it.

If you visit [westdevonscouts.org.uk/scouts-at-home](http://westdevonscouts.org.uk/scouts-at-home) you can see the previous versions of the Badges at Home sheets for ideas. If you get stuck or need some help – just ask Abi or Nicki!

Once you think you've finished, send through your sheets to [wdscoatsathome@gmail.com](mailto:wdscoatsathome@gmail.com)

Remember to record the time you spend on this activity for it to count towards your D of E volunteering hours (at least 1 hour per week) :

Date	Hours	Date	Hours

Well done for working towards your Chief Scout's Platinum Award through lockdown!
