The Great Indoors Staged Activity Badge

Show your Leader when you have completed each activity by uploading your photos, videos or activity sheets to Online Scout Manager – Badges – Staged – The Great Indoors

Remember to ask an adult for help and follow all social distancing and hygiene guidelines

Community Engagement

Along with a responsible adult, talk to someone online about a local service or charity in your community that's helping people affected by the spread of COVID-19

All sections

Find a community group in your area that has made an impact during the Lockdown. Tell your leader about the organisation, how they operate and how you could help them to achieve their goals (if possible). This may be helping right now or in the future.

Social Action

From your own home, do something that helps friends or family elsewhere in the country.

All sections

Get in contact with a friend or a member of your family that you have been isolated from, they could be local, or much further away. You could give them a call and see how they are, or you could send them a card, letter or postcard to let them know that you have been thinking of them. Tell your leader how they felt and how you felt after making contact.

International

Cook one traditional meal from another country.
